Employment Opportunity: ENVIRONMENTAL MONITOR

DWB is seeking applications for an Environmental Monitor for our Cranbrook, BC office to be part of a team providing high-quality services to our client, with a particular focus on erosion and sediment control. The role will be field based, with the work area close to our Cranbrook office in the beautiful East Kootenays. The applicant must be able to thrive in a demanding, fast paced construction environment.

QUALIFICATIONS

- Past experience as an Environmental Monitor or Environmental Inspector is required
- Designation or training in erosion and sediment control (CPESC, CISEC, BC-CESCL, ESCP) is preferred but not required
- Registration with the College of Applied Biology (CAB) or BC Institute of Agrologists (BCIA) is preferred, but not required

EXPERIENCE WITH THE FOLLOWING IS CONSIDERED AN ASSET:

- Environmental monitoring/inspections on construction projects
- Erosion and sediment control (ESC) plans and supervising their implementation
- Monitoring contractor compliance with Environmental Protection Plans (EPP) and Construction Environmental Management Plans (CEMP)
- Providing ESC and environmental advice to construction personnel in the field
- Understanding of environmental regulatory processes in BC
- Preparing daily inspection/monitoring reports and summaries
- Conducting instream turbidity monitoring, fish and amphibian salvages

DWB strives to foster a culture of safety, professional growth and service to others, based on our core corporate values of Integrity, Service and Community.

DWB offers a competitive wages, travel allowance and a year end bonus. We also offer a health benefits package, professional association fee compensation, mentoring and professional development opportunities.

DWB provides staff team building events and sponsors annual company trips for their full time employees including ocean fishing charters, Okanagan wine tasting tours, fly-in remote hunting trips and more!

Please email a resume and cover letter to:

Ryan Wonnacott, RPBio
rwonnacott@dwbconsulting.ca

DWB would like to thank all those that apply but will only be contacting those candidates who are short-listed for an interview.

Closing Date for receipt of resumes: **Open Until Filled.**
