## **Membership Categories:**

### **Accredited Membership: \$85**

An Accredited Member is defined as an individual who is a member in good standing of a Professional Accrediting Organization for biologists in Canada, specifically: College of Applied Biology (CAB) and The Alberta Society of Professional Biologists). "Accredited Members have voting rights on APB governance and policy".

### **Emeritus (Retired) Membership: Annual \$50 - Permanent \$200**

A member may request to become an Emeritus if that member that member is 65 years of age or older; and has been a regular member of the Association for 25 or more continuous years unless extenuating circumstances can be demonstrated to the satisfaction of the Directors; or was assigned the 'Retired member' status by a Professional Accrediting Organization for biologists in Canada (CAB or ASPB) Emeritus members may join annually, or they may choose to purchase a long-term membership. The '*Emeritus-Permanent*' membership option allows retired members to do a one-time lump payment of \$200 instead of renewing their membership every year.

### **Affiliate Membership: Student \$25 - General \$85**

The Affiliate Membership category is open to any person who has an interest in biology. No formal qualifications in biology are required. Affiliate members cannot vote on APB business or serve on the APB Board of Directors. However, they can enjoy other membership benefits offered by the Association.
